### TRUST FUNDS.

Herewith is a statement of the trust funds in possession of the town and the disposition made of the same.

### THE COL. THOMAS NESMITH FUND.

One thousand dollars was given to the town by Mr. Nesmith, in May, 1871. This fund is invested in the town of Windham, and six per cent. interest is paid annually for the purchase of new books for the Nesmith Library.

### GEORGE WILSON FUND.

One thousand dollars was given to the town by Mr. Wilson, Jan. 21, 1893, the income to be used in beautifying and fertilizing the cemetery on the hill. The fund was deposited in the Mechanics bank of Nashua. In about three months after the deposit was made the bank was put in the hands of a receiver. Two dividends of 15 per cent. each and one of 10 per cent. have since been paid by the bank, the balance still remaining, with the prospect of another small dividend in the future.

Mr. Wilson kindly supplemented his gift by sending a check in May, 1896, for \$500, to make good to the town the possible loss on the deposit. The \$500 is invested in the town of Windham.

### DORA HASELTINE FUND.

Five hundred dollars was given to the town in May, 1896, by Dora Haseltine, and six per cent. interest to be paid annually for the care of the "Cemetery on the Plain." It is invested in the town of Windham.

### ARMSTRONG MEMORIAL FUND.

One thousand dollars was given to the town in 1889 by George W. Armstrong. The income to be used in and about the Armstrong Memorial building.

The fund was invested in five shares of the capital stock of the Pullman Car Company. Quarterly dividends of ten dollars each have since been received. A report of the use of these dividends will be found in the report of the treasurer of the board of library trustees.

### REPORT OF CEMETERY COMMITTEE.

FOR THE YEAR ENDING FEB. 15, 1906.

As during the three previous years Mr. J. W. M. Worledge has served as sexton for the town. When the addition was made to the cemetery on the Plain some years ago the section known as the "Potter's Field" came to occupy a very central position in the yard and has for years been a neglected looking spot. With an appropriation by the trustees from the income of the Dora Haseltine fund and a generous gift from Mrs. M. J. H. Smith this unsightly place has been graded, fertilized and re-seeded and is now an improvement to the general appearance of the cemetery.

A row of hitching posts, the gift of Frederick J. Hughes, has been set on the opposite side of the road from the cemetery.

From a part of the income from the Wilson fund an avenue in the cemetery on the hill has been fertilized and re-seeded and a portion of land next the roadside wall which is unfit for burial lots has been graded, fertilized and seeded.

Should the question be asked by any as to the care received by those lots which are under perpetual care the committee would say they have been lawn-mowed whenever they seemed to require it, part of them six and the remainder seven times during the season. All have been fertilized, portions of some re-seeded and various other matters attended to which it would require too much space to specialize in this report.

We acknowledge the receipt of one hundred dollars from Miss Clarissa Hills for perpetual care of her father's lot and a like sum from Jacob Alphues Nesmith for care of his family lot, both in cemetery on the Plain.

Respectfully Submitted,
GEORGE F. ARMSTRONG,
JOHN E. COCHRAN,
WILLIAM D. COCHRAN.

## SCHOOL REPORT.

We herewith submit the twentieth annual report of the School Board.

Each school district has had two terms of school. Spring term of 12 weeks and Fall term of 13 weeks. Length of Fund terms: In No. 2, six weeks; No. 6, four weeks; and No. 4, eight days.

The progress made during the 25 weeks has been quite satisfactory. Teachers were faithful, pupils responded to all efforts made in the line of increased activity; there was a sympathetic interest shown by all outside of the school, and we can see an improvement in the manners, modes of thought, and mental attitude manifested toward everything in school life. These conditions are the result of harmonious action. We trust this foundation principle will be carefully cherished, so that greater progress can be reported in coming years. We have succeeded in correcting one very annoying feature in school work. The almost continuous asking to leave the room, was a prominent part of the program. A reform was inaugurated by Miss Robinson, in No. 3. That "one may sow and another reap" was fully verified in this school. In the fall term eleven pupils did not ask to leave the room during the thirteen weeks, and for five weeks, there was not a single interruption of this kind. In No. 2. Miss Mann worked for the same result and similar effort was made by Miss Palmer, in No. 7.

We recommend a change in reading books for the advanced pupils.

The retiring member of the Board, desires to express ap preciation of the loving welcome given by pupils, the kindly expressed interest of towns-people and the harmonious relation existing between past and present members of the Board o Education.

While we work unitedly for the best interests of our schools we may expect good results.

# The Thirty-Fifth Annnual Report

OF THE

# TRUSTEES OF NESMITH LIBRARY,

FOR THE YEAR ENDING FEBRUARY 15, 1906.

There are five items calling for special note this year: The first is the fact that we have received an excellent picture of Hon. Leonard A. Morrison, which now hangs in the vestibule of the Library Building. Next to Mr. Nesmith the founder of the Library, and Mr. Armstrong the donor of the Building, there is no one more worthy of a place of honor in the Library Building than Mr. Morrison. This picture came to us as the gift of Mrs. Albert J. Lyman, of Brooklyn, N. Y., formerly well known in this town as Miss Annie Elizabeth Hills. The second is the fact that the interior of the Library Building has been thoroughly renovated and repainted. The particulars in regard to cost will doubtless appear in the treasurer's report.

To Mrs. Lyman for her valuable gift, and others who with books and papers have favored the Library we hereby extend our hearty thanks.

Respectfully Submitted by ALBERT WATSON,

For the Trustees.
